McGraw-Hill's "Connect" is a web-based assignment and assessment platform that helps you connect your students to their coursework and to success beyond the course.

McGraw-Hill Connect

Most exams and quizzes have a time limit set by the instructor. A running time clock for the test will appear below the instructions in the test window, and a warning message will pop up when one minute remains in the test period. The length of time that you take to complete the test is automatically recorded when you submit the exam.
