Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Irrational Exuberance Revised And Expanded

In this revised, updated, and expanded edition of his New York Times bestseller, Nobel Prize-winning economist Robert Shiller, who warned of both the tech and housing bubbles, cautions that signs of irrational exuberance among investors have only increased since the 2008-9 financial crisis. With high stock and bond prices and the rising cost of housing, the post-subprime boom may well turn out to be another illustration of Shiller's influential argument that psychologically driven ...

Irrational Exuberance - Navy General Library Program ...

Just kidding. Although, that is a very valid option and one I employ for most of my funds. But if you're interested in learning some basics about the CAPE (and the man who won the Nobel for his research related to it), you should probably start with Irrational Exuberance: Revised and Expanded Third Edition.
