Best activity in Tokyo - make your own woodblock print!

Woodblock printing in Japan (木版印刷, mokuhanga) is a technique best known for its use in the ukiyo-e artistic genre of single sheets, but it was also used for printing books in the same period. Widely adopted in Japan during the Edo period (1603–1868) and similar to woodcut in Western printmaking in some regards, the mokuhanga technique differs in that it uses water-based inks—as ...

Woodblock printing in Japan - Wikipedia

Learn how to prepare and cut woodblocks. Using eco-friendly techniques, apply water-based pigments to the block, and print the hand-made Japanese paper with the baren, a hand-burnishing disc, in creating your own prints. What will be covered? You will learn how to prepare your woodblock, and make a design for your print using an oriental brush.
