Join In and Play by Cheri J. Meiners - Goodreads

Play is crucial to children as it allows them to fully understand and learn about the world around them. It provides opportunities for children to consolidate their existing knowledge and enhance it further. As children explore further opportunities in their play this is giving them the foundations to pursue learning at a higher level.

Knowing when to join in children's play

Play and development go hand in hand. An adult may wish to join in a child's play but it is important to be invited to play. When you are invited to join the child's play, take the passive role and follow the children's lead and suggestions because it is their play.
