Kent C Otokar

Kent C is a rational choice to reduce operating costs. Available in 2 lengths (10.80 m and 12 m), the Kent C is a reliable, economical and quickly profitable vehicle thanks to its high capacity (up to 101 passengers). Both sizes can be equipped with a diesel engine.

Kent C Bus | Otokar

Spacious and practical, the Kent C is available with 2 or 3 doors, in different lengths and with different seating configurations, enabling you to adapt its capacity to your needs. The interior is elegant and has a modern, fully fitted driver's area that meets current ergonomic criteria.

Kent C | Otokar Europe

The e-KENT C marks a new departure for Otokar, with a change to the traditional design of its urban transport vehicles. Its clean, dynamic lines, full-LED light signature and large glazed surfaces lie at the heart of the new concept. The instantly recognisable style is as original as it is practical.

E-Kent C Bus | Otokar

Otokar took the chance of the UITP Summit 2019 to launch its first electric bus. 12 meter long, the e-Kent C (electric variant of the conventional ICE bus Kent C, diesel or gas fuelled) features a brand new design and will be available in Europe in 2020. Otokar has already started to participate to tenders and accreditation.

Otokar e-Kent C, unveiled at UITP Summit - Sustainable Bus

271 Kw (369 hp) / 1700 rpm The articulated Kent C is designed to make urban transport practical for passengers in peak times, and make it profitable for operators. With its large double doors at the front, rear and middle, all users can easily and comfortably embark and disembark. Its elegant interior can carry up to 164 passengers.
