Kent Tile Fire Manual

The porcelain/tile outer shell of the Kent Tile Fire and an insert from Log Fireplace were combined to produce similar models. The company grew well into the 1990s, but was acquired by Pricotech (Australia) and ceased to exist here in America. Pricotech still produces clean-burning stoves that boast the Kent Tile Fire logo.

Kent Tile Fire Stove Replacement Parts

Kent Wood Stove Kent stoves was a popular brand back in the 1980s. Its was sold as the Kent Tile Fire and was based out of New Zealand. At the time, there were no popular non-catalytic stove models that met the new stringent EPA emission requirements. New Zealand's stove makers were already ahead of the game with the Tile Fire.

Wood Stoves | Kent Building Supplies

The Kent Tile Fire was the first clean burning non-catalytic stove widely sold in North America. The Tile Fire was produced in New Zealand, where an American visitor from Portland, OR named Betty Hume encountered it and saw the commercial possibilities of Kent's a clean-burning technology and beautiful appearance.

Kent Wood Fire Baffle Installation - KWF299-7043

Tiled stoves were a wonderful way of heating homes in Northern Europe. I've often wondered why the British never used them. The settlers in North America hardly used them either, even in regions with bitter cold winters. At first they seem to have followed the British idea of having a fire to warm yourself by,...
