Land Rover 88 109 Series

The Land Rover series I, II, and III (commonly referred to as series Land Rovers, to distinguish them from later models), or simply the Land-Rover, are compact British off-road vehicles, produced by the Rover Company since 1948, and later by British Leyland. Though unapologetically inspired by the World War II jeep, the Land Rover immediately distinguished itself from all other cars.

Land Rover - Blueprint

The Land Rover Series 3 88 inch is a fantastic vehicle to take off road. It handles just about all situations with great effect, and mine is used as an every day vehicle by myself (I think it's better than my wifes V6 Mondeo!)The engines seem to last for ever, mine having done more than 126,000 and has just passed a "Health Check" with near flying colours.
