of Latin America: An Interpretive History, I endeavor to bring the text up to date while maintaining the brevity that is one of the text's key strengths. Recent political and economic changes have not changed the central para-digm of the text: "poor people inhabit rich lands" because the elites have

Interpretive History: Questions for...

This article treats the history of Latin America. The term Latin America primarily refers to the Spanish- and Portuguese-speaking countries in the New World. Before the arrival of Europeans in the late 15th and early 16th centuries, the region was home to many indigenous peoples, a number of which had

A HISTORY OF LATIN

Acces PDF Latin America An

AMERICA encompasses political and diplomatic theory, class structure and economic organization, culture and religion, and the environment. The integrating framework is the dependency theory, which stresses the economic relationship of Latin American nations to wealthier nations, particularly the United States.
