Buy Lincoln Welding machine SAE 400 amps from GZ industrial Supplies Nigeria. This product is a Diesel Workhorse™ GZ Industrial Supplies is the distributor and supplier of Lincoln Welding Machines in Nigeria. For demanding jobs that call for high amperage capabilities, the SAE-400® offers 400 amps for DC stick welding and AC power.

Lincoln Welding machine SAE 400 amps - GZ Industrial Supplies

Arc welding, just like its name suggests, uses an electric arc to produce heat of high intensity needed to melt metals. The arc is produced between an electrode in the form of a stick or wire and the metal piece that is being worked upon. The electrode can be manually or mechanically guided along the joint of the metal. There are many different types of arc welding machines and arc welding ...
