21 Fun Ways To Teach Phonics This Year - Top Notch Teaching

Decoding is the process of looking at a printed word and being able to say it correctly. It sounds like something a spy should be doing, but all it really means is putting together the sounds in the word to read it aloud. It's cracking the letter-sound code to come up with the word. Decoding is just half of the process of reading.

What Do Phonics, Phonemic Awareness and Decoding Mean ...

Decoding in general is the process of converting a message or some codes in a language that one could understand, but when it comes to decoding letters or words, then it means applying the ...
