Magicians of the Gods - Limitless Mindset

Deities, more commonly referred to as gods, are beings of immense magical power who operate on a level far above most magicians and magical creatures. The Old Gods are the primordial entities that are responsible for the creation of the universe, magic, life and reality itself, as well as the 'parents' of the modern deities of mythology. Alice stated that to the modern gods of myth, humans are ...

Magicians of the Gods Quotes by Graham Hancock

Asteroids melted the poles! Baalbek was erected by "ancient and unknowable minds"! Everything we know is wrong! Having dusted off long-debunked Von Däniken-isms in Fingerprints of the Gods (1995), Hancock aims for a similar audience in his latest, which works two large themes: we are the unknowing beneficiaries of an Atlantis-like disappeared civilization, and that civilization was ...

MAGICIANS OF THE GODS | Kirkus Reviews

Magician of the Gods proposes that towards the end of the last ice age, the earth was hit by a huge comet that broke up and hit the earth in various places around the world, hitting the deep ice caps that were still covering the top half of the earth and causing a massive global deluge that wiped out the majority of human kind, amongst whom there was a flourishing advanced civilisation.
