Like “Because of the power shortage and lack of replacement parts there was only one elevator running in the Empire State Building, and this one went only as high as the twenty-fifth floor. After that you walked ...

Make Room! Make Room! Quotes by Harry Harrison

by Paul Tomlinson. Make Room! Make Room! is a serious science fiction novel with a serious theme; it is also a detective thriller about a hunt for a killer, and the story works incredibly well on both levels. Written in Harry Harrison's usual no-nonsense style, the novel grabs you with a remarkably understated opening, and carries you through to its bleak closing chapter which 'celebrates' the ...
