Marketing Lamb

Producers can basically market their lamb crop three ways. They can: Sell directly from the farm to a feedlot, buyer or processor; Market direct to the consumer; Sell them through an auction. Cole notes each individual situation will be different and some of these options may not be feasible for every producer.

Many Opportunities for Marketing Lamb - Countryside

Lamb Marketing. Most sheep operations derive the majority of their income from the sale of lambs or meat. As a result, lamb prices have a large influence on profitability and viability of the sheep enterprise. There are numerous options for marketing lambs and pros and cons to each one.

Sheep 201: Lamb marketing

Lamb products that are sold over the Internet must be processed in federally inspected plants. If the meat is processed in a state-inspected facility, it is only legal to sell the meat within that state. Freezer market lambs are another direct marketing method. Lambs are sold live to customers.

Inspiring consumers to diversify their mundane mid-week meal repertoire with lamb is the focus of Meat & Livestock Australia's (MLA) new Spring Lamb Campaign. The campaign aims to drive mid-week meal lamb consumption by educating and building confidence for Australians to cook lamb as part of their routine meals.

Lamb campaigns | Meat & Livestock Australia

Naturally, a medium sized sheep cannot have a lamb as large as a large sheep. Secondly, a lamb grows with relative ease and speed, if fed appropriately, to 80 pounds and slightly above. I reach that weight on average between 4 and 5 months with my male market lambs. The top lambs get to 80 pounds at three and a half months.

What is the Ideal Weight for a Market Lamb? - Cornell ...

- An ethnic market is a group of consumers that share a common cultural background: race, color, national origin, religion, or language.
- There is no single ethnic market for lamb and mutton.
- The ethnic market is composed of many different market segments, with consumers in each group having different buying preferences.
