### Matchless G80 Manuals

I am trying to download the 1951 Matchless g80 manual but it doesn't seem to work. I tried the AJS one for the same year with no issues but unfortunately the magneto configuration for the AJS is different and I specifically need the valve timing info which is different between the two. Is there any way of emailing this info for me. Chris Berry

In 1987, businessman Les Harris tried to bring the Matchless G80 back - the iconic Brit bike was originally produced between '46 and '66. Harris had already successfully revived the Triumph Bonneville, but he decided to let his licensing deal lapse and instead create his own version of the G80. The "Harris G80s" were launched...

The Matchless G80 is a single cylinder 500 cc British motorcycle built by Associated Motorcycles (AMC) between 1946 and 1966. During the 1950s and 1960s, the main export product for AMC was the AJS/Matchless range - the road bikes were very similar, often with only the badges distinguishing one marque from the other; the equivalent AJS being the Model 18
