Mine: a Stepbrother Romance by Kim Linwood was a warm & funny story about Liz, Hunter and a reality TV show. I received a copy of this book from the author in exchange for an honest review & it was well worth the read. Liz & Hunter used to be step-siblings who spent their early teen years living on an island in the Caribbean.

Macmillan: Series: Stepbrother, Mine

With STEPBROTHER, MINE readers are introduced to Mason and Dana whose relationship is considered taboo (though honestly they aren't related by blood so it shouldn't make any difference). As a reader you get glimpses of the relationship they cultivated before anything sexual came into play and felt emotionally pulled into their story.
