Minority Politics In India Role

The input or catalyst for the realisation of these aspirations is the political mobilisation of minorities, especially Muslims in India. In final analysis, the political mobilisation of minorities especially Muslims in India, to achieve a pluralistic society, a polyarchical state and to realise ideals of justice, equality and fair play, would promote not the parochial interests of minorities; but the gist and spirit of our constitution.

National Commission for Minorities. [NCM] - Politics for India

A basic premise of representative democracy is that all those subject to policy should have a voice in its making. However, policies enacted by electorally accountable governments often fail to reflect the interests of disadvantaged minorities. This paper exploits the institutional features of political reservation, as practiced in Indian states, to examine the role of mandated political representation in providing disadvantaged groups influence over policy-making.
