It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

### The Black Atlantic: Modernity and Double Consciousness ...

In order to sufficiently explore authenticity and its many related terms, it is first necessary to examine the modern and postmodern tourist. When, in the 1970s tourism studies emerged as an academic field, many key researchers and theorists regarded it as a phenomenon resultant of modernism, and used modernist discourse to interpret visitor motivation.
