Hi. I'm new to Practical Machinist. I joined because looking at other threads about Schaublin lathes, the answers seem to be from people who really know what they are talking about, not just general answers,so I hope you can help with some advice. I have just bought a Schaublin 102 (1969, headstock without back-gear, on a steel cabinet stand, lever operated W20 collets)which genuinely seems ...
