This is a basic TBI harness for all engines using ECM 1227747 and 1228746 type ECM-many others can be used. Basic connections are standard but it is easy to customize one for your needs. Typically, technical support is limited to the customer with only a harness purchase due to the complexity of variables we have no control over.

TBI Wiring Harness - Affordable Fuel Injection

Howell Engine Developments, Inc. was formed in 1988 by Bill and Matt Howell to support the growing trend towards the use of electronic fuel injection in the Hot Rod/Street Rod and Four Wheel Drive Industries. At Howell EFI, we do not make a one size fits all product line.

Home - Howell EFI Conversion & Wiring Harness Experts

MPFI: what to do. You are going to use your stock engine harness as the base of your "hybrid" harness. Not. the engine harness that came on the motor, an Si or Hf harness (unless your car is an Si or. Hf), or a B18a harness (not even with a B18a). This is a common misconception. People. always want to use a stock MPFI harness.

DPFI to MPFI & Vtec Wiring - R Gen Racing

The 8 Injectors are batch fire controlled, giving this 350 CID 5.7 liter injected engine optimal drive-ability. The fuel injection configuration on this engine was Multi Port Fuel Injection MPFI - with Bosch injectors that have a set range of 16 Ohm. The distributor is a Hall Effect style ignition system, which is located behind the water pump.
