On the round baler like the 850 or 851 you want nice size windrows and or put 2 side by side so you do not have to driver back and forth across the windrow. As for speed you do not want to go to slow or you get a bale the is extra heavy and very hard to put a bale spike in, learned that the hard way when I first got my 850 and could not lift the bales with my loader tractor due to how heavy ...
