So let it grow, for when your endurance is fully developed, you will be perfect and complete, needing nothing.” James 1:3-4. Last time I checked, endurance doesn’t come easily. I have done cardio kickboxing the last few years, and the trainers love to torture us with this evil thing called “endurance sets” during the workouts. They last ...

Allowing him to do it without hassle, and trusting that he is a faithful man who simply needs to conquer something, will make all the difference in the world. I’m not suggesting that women should give men whatever they want all the time, but it’s important for women to know that a man doesn’t always want what he’s asking for; he wants to know that his woman will ride with him if he asks.

I've always had a huge appetite from insomnia, always said if I ate exactly when I was hungry I'd be 600 pounds haha. But since I haven't had a job I've been sleeping so that helped 100%. I don't think I could have done this if I was still working. I never thought not having a job and relying on savings would do me so good.

Intrigued, I inspected it thoroughly. It was a simple mechanical lock, nothing fancy. I've broken into far more elaborate security systems than this (it's amazing what you can learn on YouTube). The easiest solution would be to scout the suite for the key, but that would risk revealing my intentions to L and render my scheme useless.
