Today ...

Obsessive Consumption started out as a blog and turned into a book. It collects the sketches of items purchased by Kate Bingaman Burt over 4 years since she's been drawing them. It's like a diary of purchases. These are simple line drawings that are sometimes quite scary to look at, especially drawings of credit

Read Book Obsessive Consumption What Did You Buy Today

Obesity, also called corpulence or fatness, excessive accumulation of body fat, usually caused by the consumption of more calories than the body can use. The excess calories are then stored as fat, or adipose tissue. Overweight, if moderate, is not necessarily obesity, particularly in muscular or large-boned individuals.
