Adobe is changing the world through digital experiences. We help our customers create, deliver and optimize content and applications.

Adobe: Creative, marketing and document management solutions

Put simply, using Adobe CC is not true "cloud computing," despite the name. Photoshop, Illustrator, etc. are desktop apps that run locally on your computer, just like before. You don't have to upload, share, or store a single file online unless that's what you want! And in fact it's easier to store your work offline than online.
