### **Opera in America: A Cultural History by John Dizikes ...**

Opera in America, a cultural history, by John Dizikes, can be read simultaneously as a pictorial work (simply because its numerous illustrations play a fundamental role in the text, are integral to it, and thereby make details stand out); as a work of fiction (because very often, the narrative and its photos take over the discussion); as an economic, social, and cultural study of America over the course of its operatic history. Dizikes clarifies, untangles the complex material of opera in ...

As a result, opera has endured in Western culture for more than 400 years. Moreover, since the late 20th century, new ways of delivering opera to the public—on video and DVD, in cinematography , or via high-definition simulcast in movie theatres—have increasingly made the genre more accessible to a larger audience, and such novelties will inevitably change public attitudes and appreciation of the art form.

## **opera | History & Facts | Britannica**

While NYC is very much the nexus of opera in the United States, vital opera companies abound throughout the country, including LA Opera, Lyric Opera of Chicago, and Seattle Opera. Cities such as Boston, Houston, and Philadelphia each boast multiple opera companies, making for a vibrant scene.
