### **Paper Critters**

Paper toys date back to ancient times. The history of paper toys can be traced back to the art of origami (or-i-GA-me). The word is based on the Japanese words Ori, which means to fold, and Kami, which means paper. However origami's roots are from China and it spread to Japan somewhere around the sixth century. The craft was for only the rich at first because the cost of paper was very high.
