"Policy Paradox" is an important work in the field of policy analysis. The subtitle is illuminating: "The Art of Political Decision Making." Her takeoff point is the following statement (pages x-xi): "This new field of policy analysis supposedly devoted to improving governance, was based on a profound disgust for the ambiguities and paradoxes of politics. .

Equity- "treating likes alike" Efficiency-

"getting the most output from a given input" Security-

"satisfaction of minimum human needs" Liberty- "do as you wish as long as you do not harm others" None of these criteria offer a simple solution.
