Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### Portraits of Pioneers in Psychology | Taylor & Francis Group

The seven-volume series, Portraits of Pioneers In Psychology, was published under the sponsorship of Div. 1 (the Society for General Psychology) from 1991 to 2011. Edited by several of Div. 1's leaders, each volume includes informal, interesting biographies of major figures in the history of psychology, not all of whom are well-known. Nearly 140 biographical portraits of pioneer psychologists appear within the seven volumes.

### Portraits of Pioneers In Psychology - APA Divisions

A special section provides brief portraits of the editors and authors, containing interesting information about the relationship between the pioneers and the psychologists who describe them. Utilizing an informal, personal, sometimes humorous, style of writing, the book will appeal to students and instructors interested in the history of psychology.
