Yeah, Ian was a great guy. He E-mailed me the three pages I needed to repair and swap input voltages on my PowCon 300SM when I got it. Fortunately for me, I just needed two \$3 parts from Radio Shack, nothing major. Too bad I'm not at home right now, I received a copy of the full manual from another member here and could have mailed you a copy, too.

As far as I know all of the fiber glass case welders are POWCON and the metal case welders are Kemppi. The associated equipment is a mix of makes. Arc Products in San Diego (1-800-770-0063) sells parts and new / used machines and service all of the POWCON made stuff but not the other makes. I have a manual for the 400 SMT if that helps.
