culture nor politics are produced in social and political vacuums, and greater attention to the world politics-popular culture continuum can help to illuminate interstices of power that are overlooked by orthodox approaches to it (Grayson, Davies & Philpott 2009).

Popular Culture and World Politics - E-International Relations

If you want to base an entire politics on power and oppression, you need a conceptual basis for it and a language to describe it. Woke politics finds this in critical social justice theory. This is the source of so many of its buzzwords describing what it deems "problematic" - such as "privilege", "complicity", "microaggressions".
