How to practice law in a 'sharing economy' (Podcast)

It clearly reflects years of substantive thought, analysis and PRACTICE by Janelle and her network of contributors. In effect, the book serves as a companion to the common law of corporations, property and torts and demonstrates how and where sharing law solutions build on and occasionally depart from "traditional" transactional law practice.

Practicing Law in the Sharing Economy: Helping People ...

In these cases, law firms can reduce their security burdens with data storage and transfer tools that already support privacy compliance. File-sharing services are one such tool, and the legal field increasingly uses these products. However, many attorneys still have concerns about whether this is an ethical practice.

The Ethics of File Sharing for Attorneys | ABA Law ...

If Entity 1 is applying to set up a new law practice, it should complete the same section in the online application to the LSRA for a new law practice licence. If the application is approved, Entity 2, if it is a law practice, will also need to submit an application via LSRA e-Services to update the "Sharing of Premises" section in its own licence record.
