Pump Six and Other Stories is Paolo Bacigalupi's debut collection of science-fiction short stories. Published in 2010 by Skyhorse Publishing, it includes eleven original short stories. The eleven stories in Pump Six and Other Stories are essentially warning tales. Created by an author noted for his critical stance on society and politics today, the short stories, while science-fiction, relate vitally to our world.

Pump Six and Other Stories Background | GradeSaver

August 21, 2008. Paolo Bacigalupi's debut collection of stories, Pump Six, is a call to get the world off the disastrous path the author fears we are on. Bacigalupi is a former editor at High Country News, and his profound sense of the connection between humanity and the consequences of our actions on the landscape permeates his stories. One of these, "The Tamarisk Hunter," is deeply informed by the author's knowledge of water rights battles in the western states.
