Puritanism And Theatre Past And

The closing of the theatres by Parliament in 1642 is perhaps the best-known fact in the history of English drama. As the Parliamentary Puritans were then in power, it is easy to assume that all opponents of the theatre were Puritans, and that all Puritans were hostile to the drama. The reality was more interesting and more complicated.

be gotten by just checking out a book puritanism and theatre past and present publications as a consequence it is not directly done, you could recognize even more something like this life, roughly speaking the world.

Puritanism And Theatre Past And Present Publications

The Puritans therefore made out a case against theatre as such, on the basis of Scripture and the Fathers of the Church—a very powerful case if Scripture is accepted as authoritative. They conducted an agitation against theatre for half a century, and one of their first actions on taking power in Parliament in the 1640s was to abolish theatre in England.
