Stephen Baxter September 2008. ... The Japanese, though, seemed to like the super-science of my earlier 'Xeelee' sequence, from Raft (1991) to Ring (1994), and the fix-up collection Vacuum Diagrams (1997). I always wondered if the Japanese felt they were already living in the near future compared to Europe and America.

If you just want to read up on the Xeelee war as an intro you can skip Raft and Flux. Stories: Raft describes problems in an alien humanoid society. I read it and found I could have skipped it. Timelike Infinity is a classic average mankind-centered Scifi novel. Flux- I skipped it after the intro. Ring has the most scope and interesting concepts.
