Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Hirobo Invader Si Sr 110 Electric Buggy Instruction Manual ...
GILL RC. GILL. I did a review of the BIG SWAMP BUGGY as an electric conversion for Hobby Merchandiser Magazine a few years ago. I used a 150 kv 36mm motor with a 11.6 prop on 3 cells. runs great at about 15 mph. I put 2 layers of 1 inch wide Teflon tape on the sponsons in the winter and she runs 25-30 mph on the snow and ice.
