In a self-centered world, we need to learn to reach out to others. Students need to learn about missionaries and their work but also understand that they too can be sharing Jesus right where they are. Teachers can incorporate this kind of worldview into their teaching of almost any lesson. To Read: Objective: Help Students Reach Out to Others

Teach your child to reach out to others. Urge her to make other kids in her class feel valued. Encourage her to call the new kid in class or get to know the girl who often sits alone at lunch. One way to make sure this is happening is to challenge your child to find out one good thing about a child she regularly says is annoying.

11 Ways for Teaching Kids to Be Inclusive of Others

We strive to reach out to ALL educators, Pre-K through 12, across content areas. We want to help YOU to get inspired, so you can be inspiring to your students. We focus on Arts Integration, S.T.E.A.M., and Social-Emotional Learning through the Arts.

5 Reasons to Join a Teacher Community - The Inspired Classroom

Peers REACHing Out (PROs) was developed in 2013 by the Ohio State University Suicide Prevention Program in order to cultivate student leaders, educators and advocates for suicide prevention. Before the inception of PROs, peer educators had not been used for suicide prevention education of an American university.

EDUCATION. Parents Reaching Out is New Mexico's Parent Training and Information (PTI) Center. As the PTI for New Mexico, we serve families throughout the state who have children and young adults (from birth to age 21) receiving special education services. From screening and evaluation to transitioning out of high school, our dedicated staff will support families with concerns about education.

Education - Parents Reaching Out

Jan 30, 2013 - Social skills, social skills, social skills! Social skills are taught continuously in my classroom, mainly because we can't seem to go 15 minutes without a learning moment, but also crucial for my autistic students. This year, in particular, I have a very special group of students who require a little extra in this fie...
