### Amazon.com: manual oil change pump

FWIW the manual said the first oil change from new on my current car was at 18,000 miles, not 1,000. I queried that with the dealer and the reply was "yes, that's correct." Nothing bad has happened after 100,000 miles (and it still only burns half a liter of oil in the 18,000 miles between changes, just like it did from new), so I guess the dealer was right.

### Rev Tech Oil\*®\*

Had it in 3 days, oil change in 15 minutes, no problems since. The oil capacity depends on your oil bag, not the motor. I put 3 quarts in initially, but then on my oil change I called Harold to check on the amount to put in since a certain amount always remains. He said 2 3/4 quarts should be fine. That filled it right up to the oil filler bung.
