If you are reading a book, \$domain Group is probably behind it. We are Experience and services to get more books into the hands of more readers.

Robert Sedgewick Algorithms Exercise Solutions

Solutions to the exercises of the Algorithms book by Robert Sedgewick and Kevin Wayne (4th editon). I found the book to be an excellent resource to learning algorithms and data structures. Since there are not many (almost none) solutions of the exercises on the Internet and the only ones available are incomplete, I decided to share my work on the exercises.
