Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

Rs2 Avant Audi S

The Audi RS2 Avant, usually known as Audi 80 RS2, was a limited edition, high-performance Audi five-door, five-seat estate car, manufactured from March 1994 to July 1995. Collaboratively designed as a joint venture between Audi AG and Porsche and built on Audi's 80 Avant, designated internally as P1. It was Audi's first "RS" vehicle, and the first of their high-performance Avants; it used the most powerful and most thoroughly developed version of Audi's inline-five cylinder turbocharged internal
