We started Saxon Math back in 2002 when my oldest was about 5-years-old. Even then, I purchased used Saxon math textbooks from a friend, so they were already a couple of years old. Saxon math 87 is the only grade for which we have the actual Saxon math homeschool kit. I think I ended up buying that one new because I couldn't find it used.

**7 Things Homeschoolers Should Know About Saxon Math ...**  
Other Textbooks/Editions: To provide your students with a quality math education together with the best student experience Dr. Aardsma strongly recommends that educators stick with only those editions of the tried-and-true classic Saxon textbooks listed above. Where there is more than one classic textbook choice for a grade level Dr. Aardsma's recommendation is indicated.
