Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Sephardi Religious Responses To Modernity

This book really does a lot and goes a long way in breaking down various issues that exist in Jewish communities worldwide. The topic of how Sephardim responded to modernity is a topic that is timely and needed in this current time where non-Ashkeanzi history is but a stub in many areas of Jewish education, especially in the religious world.

Sephardi religious responses to modernity (eBook, 1995 ...

The material on which Zohar bases his conclusions pertains, as he indicates in the title, to the 'response to modernity.' Study of the rulings of Sephardic sages of an earlier period, who did not contend with modernity, might have led to a picture not that much different from their Ashkenazic peers.

It was only in the modern epoch that the Sephardic megurashim (exiles -- as they were known in several parts of North Africa) really integrated among the indigenous Mustarabim (Jews of Arabic culture -- as they were frequently known). Still, in the inevitable interaction and interlinkage that developed over the centuries, the indigenous population proved to be stronger if only be sheer numbers and, despite the very strong Sephardic intellectual and religious influences incorporated locally ...
