# File Type PDF Software Testing Techniques By

Software Testing  
Techniques in 1978. It  
was published in 1983,  
but most of the  
references predated  
1980: the first edition  
was a book for the 80s  
that reported on the  
state of software  
testing as of the late  
70s. This edition will be  
published at the  
beginning of a new  
decade.
