Soviet American Rivalry In The

Soviet-American Rivalry and the Cold War June 16, 2008 by Marge Anderson In 1947, at the outset of the cold war, as the Soviet Union continued to expand its influence through-out Europe, a leading American policy analyst, George Kennan (1904—), published a highly influential article in the American journal Foreign Affairs.

Soviet-American Rivalry and the Cold War - Big Site of History

This volume is an impressive piece of historical scholarship on the origins of the Cold War in East Asia. Its primary importance stems from the interesting way in which it weaves together the policies and perceptions of the four key actors in the critical 1944-46 period: Chiang Kai-shek's Nationalists, Mao Zedong's communists, Stalin's Russia and Truman's America.

Cold War & Revolution: Soviet-American Rivalry and the ...

The American party, a significant although never major political force in the United States, became further demoralized when Boris Yeltsin outlawed the Communist party in Russia in August 1991 and opened up the archives, revealing the continued financial as well as ideological dependency of the American Communists on the Soviet party up until its dissolution.

The Soviet Union and the United States - Revelations from ...

Through more than 30 years of Cold War, Washington officials have insisted that the Soviet-American rivalry flows from the nature of the Russian regime and its global ambitions. Yet never have they framed a rational explanation of the presumed determination of Soviet leaders to extend their power across the world.

Cold war and revolution : Soviet-American rivalry and the ...

The destruction of the Japanese cities of Hiroshima and Nagasaki by American atomic weapons in August 1945 began an arms race between the United States and the Soviet Union. This lasted until the signing of the Conventional Forces in Europe treaty of November 1990. An entire generation grew up under the shadow of imminent catastrophe.

The Soviet-American Arms Race | History Today

US-China conflict could prove even more dangerous than the Soviet-American Cold War. It has become commonplace to compare the escalating Sino-American rivalry with the Soviet-American Cold War. But some authoritative analysts are now warning that a new Cold War could actually become even more dangerous than the original one.
