Speaking Into The Air A
A sweeping history of communication,Speaking Into the Air illuminates our expectations of communication as both historically specific and a fundamental knot in Western thought. From the Back Cover Communication plays a vital and unique role in society-often blamed for problems when it breaks down and at the same time heralded as a panacea for human relations.

Amazon.com: Speaking into the Air: A History of the Idea ...
Speaking into the Air: A History of the Idea of Communication, written by American scholar John Durham Peters, is a major work in communication studies and the author's first book. Peters asserts that communicating like angels is "impossible" but it is not just a tragic fact but also a blessed one. This book talks about the history of communication failure from different aspects like philosophy, politics, media technology and so forth. This book won the National Communication Association Award i

Speaking Into The Air - Wikipedia
Overview. Communication plays a vital and unique role in society-often blamed for problems when it breaks down and at the same time heralded as a panacea for human relations. A sweeping history of communication, Speaking Into the Air illuminates our expectations of communication as both historically specific and a fundamental knot in Western thought.

Speaking into the Air: A History of the Idea of ...
The title, "Speaking into the Air" is a fitting title; Peters argues that our attempts at communication ultimately fail, but that this failure shouldn't stop us from loving and respecting each other. Communication is a necessity, but is also doomed to miscommunication. Peters starts his book with two juxtaposed models of communication:
