### Star Trek Prime Directive

The Prime Directive, also known as Starfleet General Order 1, the Non-Interference Directive, or the principle of non-interference, was the embodiment of one of Starfleet 's most important ethical principles: noninterference with other cultures and civilizations.

### Prime Directive | Memory Alpha | Fandom

In the fictional universe of Star Trek, the Prime Directive is a guiding principle of Starfleet, prohibiting its members from interfering with the internal and natural development of alien civilizations. The Prime Directive applies particularly to civilizations which are below a certain threshold of technological, scientific and cultural development; preventing starship crews from using their superior technology to impose their own values or ideals on them. Since its introduction in the first se
