This starting out in futures trading, as one of the most vigorous sellers here will completely be in the midst of the best options to review.

Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Here are the main items to watch out for in futures trading: • High-pressure brokers, pitches and high-cost commissions: Don't be tempted by these danger signs.

Investing in futures - MarketWatch

By starting out trading smaller positions, you will be able to get the hang of the difference between futures and traditional stocks without risking a significant amount. Trading smaller also allows you to make more plays, which will help you learn the process more rapidly. Focus on the Stock Futures Volume

How to Do Futures Trading - Raging Bull

Hi, Trading has been a fulfilling journey for me.I know at some point one might consider starting a fund. On average,I net 6-8 points a day in ES.Once or twice a week in huge trend days I make much more.5 min chart seems too slow for me & 1 min charts have many false signals,so I added Crude Oil recently & experiencing similar outcomes.I look forward to add Silver after some time period.
