'Story of the Eye' is a scathing critique of the tendency, in both Hollywood and literature, to trivialize female sexuality and power. Simone and Georges battle over

the metaphorical 'eye' but the real tension exists in the struggle over who gets to tell the story and ultimately, which story gets told.

Story of the Eye (2012) - IMDb

On the surface The Story of the Eye is a pornographic novel with graphic descriptions of blasphemous, disgusting and deviant

sexual acts. However the misclassification of this work of surrealist erotica as pornography is misleading and dismissive; the story goes far beyond the sexual deviance of the main characters.
