It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Louis Berkhof, Systematic Theology (1938). A model of order, precision, and (relative) brevity. Yes, it's often a distillation of Bavinck, but you will not find a better one-volume systematic theology in the Reformed tradition. I re-read Berkhof as much anything else on this list.

Systematic Theology Review - The Gospel Coalition

This volume is clearly one of the most embracing defenses of the evangelical view of Holy Scripture available. Praise for the Print Edition Finally a systematic theology text that fully understands the essential philosophical and apologetic issues that make traditional theologies possible....In terms of philosophical support for theological claims about biblical truth, Geisler's is the most comprehensive text yet.

Systematic Theology, vol. 1: Introduction and Bible ...

Systematic Theology by Louis Berkhof in this single volume, Berkhof presents a strongly Reformed-Presbyterian view of the Doctrines of God, Man, the Person and Work of Christ, the Application of the Work of Redemption, the Church and the Means of Grace, and the Last Things.

Geisler considers himself a "moderate Calvinist," as expressed in his book Chosen but Free (Harvest House, 2001) and Systematic Theology, in One Volume (Harvest House, 2012). On the Five Points of Calvinism, he believes: Total depravity extends to the whole person but does not destroy the image of God in fallen human beings;

Systematic Theology in One Volume - Norman L. Geisler

As Berkhof makes clear, Christian theology cannot be based on "a priori speculation" and is, therefore, never to be systematic in the sense of a speculative or deductive philosophical system. Rather, Reformed theology rests on biblical revelation as its only cognitive foundation or principium in a way that is more inductive than deductive ...
