Sexuality Education for Children and Adolescents

Sexual morality evaluates sexual behavior according to standards laid out by Catholic moral theology, and often provides general principles by which Catholics are able to evaluate whether specific actions meet these standards. The Catholic Church teaches that human life and human sexuality are inseparable.

Catholic theology of sexuality - Wikipedia

Because of sin (cf. Gen 3), however, concupiscence has entered into the human heart and as a result the nuptial meaning of the body has been, as it were, veiled, and there exists an inclination to respond to the body of another person, particularly a person of the opposite sex, not as a body revealing a person who is to be loved but as one possessing sexual values to be enjoyed and even consumed.

SUMMARY OF CATHOLIC TEACHING ON HUMAN SEXUALITY by Prof ...

God's plan for human love and sexuality is good news! "The joy of love experienced by families is also the joy of the Church" (*Amoris laetitia* , 1). All that the Catholic Church teaches about human love and sexuality comes from this truth: that God, who is love, created all people in his image—male and female he created them—to share his love and therefore to reflect his love in the world ...
