For no one can lay any foundation other than the one already laid, which is Jesus Christ. If any man builds on this foundation using gold, silver, costly stones, wood, hay or straw, his work will be shown for what it is, because the Day will bring it to light. It will be revealed with fire, and the fire will test the quality of each man's work.

### 1.1 Foundations - Back to Basics

Proponents of these documents must lay a foundation that the documents are exceptions to the hearsay rule. For example, if an employer wants to introduce time sheets that show that a worker reported 15 minutes after the required time to begin work to prove that the worker was indeed late, the employer must show that the time sheets meet an ...

Footings and foundations are to homes what feet and legs are to the human body: footings anchor the home to the ground and support the foundation, which in turn carries the weight of the home.. Although foundations have been made from a number of materials — stone, block and even treated wood — reinforced concrete is used in the vast majority of new homes.

### Building a Solid New Home Foundation - NewHomeSource
