Ants and leadership skills? OK, I'm about to ask you a weird question, but please indulge me just this once. Have you ever tried looking at things from an ant's perspective? I mean, have you ever tried to view the world as if you were an ant? If you answered yes, then that's great, but I might add that it's a bit weird as well.

5 Leadership Skills We Can Learn From Ants

Our ant is the intentional part of the brain, but our elephant is the instinctual, impulsive part of the brain that houses emotions and memories and even guides the body to perform vital functions. While we tend to know our conscious minds our ants rather well, we often overlook the power of our elephantine
